

Premium Table

The premiums payable is based on the Insured's attained age.

Your premiums are payable in USD Dollar currency according to the plan that you have chosen at the time of your application has been agreed by us.

Three Simple Steps

To find the right premium for your plan

Step 1

Locate your applicable zone /area of cover from the premium table.

Step 2

Locate the premium according to your choice of plan.

Step 3

Locate the premium to your age.

- Do the same for each of your family members to be included in your plan.
- Rates are subjected to change without prior notice.

(HE003b 05/13)

**Worldwide - No Deductible
